It is always required that a student cite resources used in any paper that is written. Both students and faculty at River City School of Leadership are expected to deal ethically with other's materials, whether it is in the form of print, electronic, video, multimedia, or computer software.
2. Collaboration (e.g., writing a paper with someone else so that the resulting paper is not the product of the person turning it in) is not permitted unless specifically allowed by the instructor. Unless noted on the course syllabus a student should assume that the required work is meant to represent their own efforts.
